Subject: FW: GTMO key personnel substitution request

Good morning Darryl,

Seaward's Transition Team will be going to NSGB on 6 January 2017 to commence transition activities with MCM. Yesterday, Seaward notified me that they would be submitting substitution requests of their key personnel. Robert Novotny, Port Operations Deputy Director and team are evaluating the resumes to ensure all personnel meet all of the qualifications of the PWS.

I know you're on leave, but can you give me authorization to approve the substitutions if the Port Operations Team determines that Seaward's proposed key personnel substitutions are acceptable.

Vr,
